## DATA OF INTEREST

**\* O.S.:**

· Microsoft Windows
· MacOs X
· Linux

**\* Programming languages:**

· HTML, HTML5, CSS, CSS3, Framework Bootstrap.
· VbScript, JavaScript, DHTML, CSS hasta la version 3, XML.
· VStudio till 2017 version. WCF, WPF, Linq, Entityframework both Vb.net and c#
· VBA
· PHP, Symfony
· Jscript y frameworks Protools, Mootools, jQuery y Angular.
· I am currently learning to develop with Xamarin in a self-taught way to develop iOS and Android
 applications.

**\* CMS & eCommerce:**

· Wordpress
· WooCommerce
· Prestashop

**\* Databases**

· Oracle
· Sql Server
· MySQL

**\* Also I have experience on:**

· Crystal Reports
· GiT, Subversion y Microsoft Team Foundation Server
· IBM AppScan.
· Software Quality Control with IBM Rational Quality Manager Tool.
· Apache, IIS
